STREAM AND WETLAND MITIGATION

WAUKA MOUNTAIN MITIGATION BANK

Wauka Mountain Mitigation Bank is owned and managed by Mitigation Resource Group of Alpharetta, Georgia. The bank is located in White County in the Upper Chattahoochee River Basin. The 107 acre property was approved by the U.S. Corps of Engineers as a commercial stream mitigation bank in April of 2008. This project has resulted in 5,400 linear feet of stream restoration, 1,800 linear feet of riparian restoration, and 6,000 linear feet of riparian preservation.

Wauka Mountain MB's primary service area is the Upper Chattahoochee, but, it is also capable of serving the Middle Chattahoochee River Basin in its secondary service area.
